

European Public Procurement

Brussels

TARGET GROUP

Business Managers,
Commercial and Financial Directors,
Public Officials,
General Employees.

TEACHERS

Experts in European Public Procurement

TRAINING OBJECTIVES

The course intends to deepen issues related to public procurement procedures and to offer to the trainees instruments for **correctly evaluating a tender** according to economic criteria and criteria of efficient management of the business activity.

Different evaluation levels for identifying the **most suitable, opportune and sustainable** offer for the company will be suggested to the participants.

The trainees will be also introduced to common **economic and financial estimate techniques** frequently used at European level, allowing future further deepening. A module of the course will be devoted to introducing the most common contract forms, nomenclatures referring to tendering contracts and budget planning of Associations, and to deep the criteria used for writing a proposal and then negotiating the contract.

Dates and location of the training events

All the training events will take place in **Brussels - Belgium**

**The next events are scheduled on:
The calendar will soon be available**
